Sacrament Information: FAQ

Baptism: If you have an older child who is not yet baptized or baptized in another faith tradition, please make an appointment with Sharon Hall, Director of Evangelization at 847-888-1682 x 16, shall@stthomasmorechurch.org

First Reconciliation & Eucharist: Generally, children prepare for and celebrate BOTH sacraments in 2nd Grade. To move into the 2nd grade sacramental program, children need to have completed the 1st grade program through religious education or catholic school. Sacramental preparation includes family activities, and a sacramental workshop series.

Children older than 2nd grade who have not celebrated the sacraments of Reconciliation (Confession) or Eucharist should register for their actual grade level. In their 2nd year of formation, they will participate in the sacramental activities in conjunction with appropriate grade level classes.

Teen Confirmation: Preparation for Confirmation is a **two year** process that begins in grade 8. The first year program is a series of 12 lessons in an interactive overview of the faith. The second year is also series of 12 lessons and guest speakers. Confirmation will take place after the 2nd year of formation.
